Slow Living, Elevated at SQ Rés

In a city that keeps moving faster, true luxury is the freedom to embrace slow living.

At SQ Rés, you'll find a rhythm of living that balances calm moments with effortless. More than just an apartment, this is where your lifestyle feels private, refined, and resort-like atmosphere you deserve.

A Quiet Pause by the Pool

Sometimes slow living is as simple as taking a seat on a poolside bench with a book, or simply allowing yourself a few minutes of calm. At SQ Rés, the swimming pool isn't just for a dip—it's a serene escape from the rhythm of the city.

Productivity Meets Comfort

When you need a quiet atmosphere, the Library and Student Lounge offer an inspiring environment to study, work, or create—perfect for professionals, students, and anyone who values clarity.

Daily Convenience

Life feels lighter when the essentials are just steps away. The Daily Supermarket at SQ Rés ensures you can pick up urgent necessities with ease—without ever leaving the comfort of your residence.

Elevated Walkways for Wellness

Step outside and enjoy a refreshing walk or light jog along our Elevated Walkways. Surrounded by greenery, it's the perfect way to clear your mind, stay active, and reconnect with yourself.

Elevated Walkways for Wellness

At SQ Rés, every detail is crafted for those who value both calm and connection. Leasing your dream unit here means experiencing the rare luxury of slow living—while staying productive, connected, and inspired in the heart of TB Simatupang. Contact our Residential Leasing now.
